TO: USDEL GENEVA

PN 5651

PERSONAL,

FOR SECRETARY RUSK FROM GEN NORSTAD.

..... has reported that Clay, prior to leaving Berlin for Bonn this afternoon, requested the Controller to obtain clearance for him to return tomorrow morning flying at an altitude above 10,000 feet.

..... at my direction, has denied this request as contrary to Tripartite policy. I have advised Gen Lemnitzer of this by restricted communications means and asked him to notify Acting Secretary Ball. I bring this to your attention so that you will be prepared in the event that the matter should be raised with you.
